Weather Exchange for WeatherHawk™

Logan, UT — 10/20/2003— WeatherHawk announces the FREE distribution of Weather Exchange for WeatherHawk. This new PC software turns a personal computer into a local, regional, national and international Weather Report and Forecast Center.

Weather Exchange™ for WeatherHawk enables a remote watchful weather eye on a home, cabin or business, by enabling access to thousands of weather stations all across the country. Weather Exchange for WeatherHawk is the next best thing to having your own WeatherHawk weather station. With Weather Exchange for WeatherHawk anyone can keep up to date on their local weather, from anywhere.

For your FREE copy of Weather Exchange for WeatherHawk just visit the WeatherHawk website at: <http://www.weatherhawk.com/Weather-Exchange.htm> and follow the instructions.

WeatherHawk is manufactured in the United States, and supported worldwide through a combination of affiliated companies and independent dealers.
